Dear Puma Families,

Welcome to our registration page, and thank you for entrusting STRIVE Prep Montbello with your child for this school year! These past few months have been very difficult with COVID 19 and incidences of violence in our community and across the country. We are living in unprecedented times and your partnership through the uncertainty is something that I value deeply.

Despite the challenges we are experiencing, we will continue to strive for excellence in all that we do at our school in order to prepare your student to excel in high school and build the skills to change the world. Our priorities continue to focus on academic excellence and supporting the whole child with a focus on lifting up student voice, leadership, and celebration. I also want to strengthen our relationship with you, our families and parents. We will have monthly family council meetings where you can be a part of making decisions for our school. I hope that I will see you at these meetings!

The safety of everyone in our community is extremely important, and our school will be following health guidance and mandates to make being in school as safe as possible. Because of this, we will have the following two policies in place:

- All people who enter our school building will be required to wear a mask at all times unless they have an approved accommodation.
- Anyone with a temperature of 100.4 degrees or higher will not be allowed in the building.

As a part of getting ready to return to school, please speak with your child about the importance of these policies as we look out not only for ourselves, but for one another.

While things are continuing to change, one thing that will remain constant is our commitment to providing your child with a safe and rigorous whole-child education. Thank you for your ongoing support and we cannot wait to work with you this year.

Sincerely,

A handwritten signature in black ink that reads "Lyndsay Lau".

Lyndsay Lau
